

MEDIA RELEASE – STAFF APPOINTMENT MARCH 27 2006

Treasury Asia Asset Management (TAAM) is delighted to announce Eng-Teck Tan is joining the firm in the role of Investment Manager.

Eng-Teck joins TAAM with close to ten years experience in funds management specializing in Asian equities. Eng-Teck began his career in 1997 at Pheim Asset Management in Singapore. He has a long-standing working relationship with TAAM Chief Investment Officer Peter Sartori being a colleague at both Colonial First State Investments and Credit Suisse Asset Management.

Eng-Teck has extensive knowledge of Asian markets and economies, in particular North Asian and the Technology and Real Estate sectors. He holds a Bachelor of Accountancy (Hons) degree from Nanyang Technological University in Singapore and is a Chartered Financial Analyst (CFA).
